4. To authorize the purchase of a new town truck and for that purpose to appropriate the sum of not exceeding $3,000.00 as determined by the selectmen to be the most reasonable net price of the same, and for that purpose to authorize the selectmen in the name of the Town to borrow by the issuance of notes or serial bonds a sum equal to such price in accordance with the Municipal Finance Act and subject to all its terms and provisions.

5. To authorize the selectmen to dispose of the old town truck on such terms as they find to be for the best interests of the Town.

6. To ratify and approve the action of the selectmen in deeding a small triangular piece of Town land to Florence Twombly by deed dated September 8, 1954, and recorded in Merrimack County Registry, Book 750, Page 478; and to discontinue any public highway easement in such tract of land.

(c) In case of no filings for an office, the office shall be filled by write-in votes at the meeting.

8. To discontinue the public highway easement in the following described tract of land and to authorize the select-

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and citizens of the Hill School District:

I herewith submit my first annual report as your Superintendent of Schools:

PERSONNEL

Mrs. Ruth Rounds who has taught for many years in Hill continued to teach grades 1, 2, 3, and 4. She has taught continously in Hill since 1943. Mrs. Rounds has devoted many years of her life to the children of Hill. We are indeed fortunate to have the benefit of her superior teaching as well as her patient and understanding way with children

Mrs. Marion Crowley who was employed last year continues to teach grades 5, 6, and 7. Mrs. Crowley is a graduate of Radcliffe College and has additional training at Peru State Teachers College in Peru, Nebraska and at Plymouth Teachers College, Plymouth, New Hampshire. Mrs. Crowley came to us from a teaching position in Canterbury, New Hampshire.

BUDGET

The budget for 1955-56 totals $15,814.00.

LIGHTING

The school district should consider the installation of fluorescent lights in the Jennie D. Blake School. It will cost from $1,200 to $1,500 to put fluorescent fixtures in both rooms. Modern standards for classroom lighting require 30 foot candles on every pupil's desk. The Superintendent recommends that the school district consider this action in the near future. It might be possible to plan to do one room in each of the next two years.

Hill should be proud of its modern school and should do everything possible to keep it in good condition and well supplied with up to date instructional materials.

I wish to express my appreciation to the School Board and school staff and the people of Hill for my cordial reception as your Superintendent of Schools.

Respectfully submitted,

RICHARD A. MARTIN,

Superintendent of School.
